

**Hakukonemediat Ltd** is an internet advertising company and official *Google Adwords Qualified Company*.

**Our mission is to provide companies with search engine advertising to the most popular and used internet sights both nationally and internationally. Our partner sights include Google, Yandex, MSN, Yahoo, Altavista, All TheWeb.**

Our operations are based on solid professionalism and an ability to provide our customers with profitable and measurable advertising. Hakukonemediat Ltd has operated for 1.5 years and already has a steady customer base including many of the Finland's largest companies.

***It is in the customers benefit that our management and personnel cobined have decades of experience in internet advertising.***

Hakukonemediat personnel have decades of experience in the field of marketing and advertising, especially internet advertising and sales of various directories, catalogues, consumer- and btob products. We are familiar with btob and consumer advertising and understand our customer's needs. We value and invest in long-term customer relationships.

Hakukonemediat started with 4 employees and within 12 months we have grown to become a strong player in Finland's field of internet and search engine advertising today employing qualified 56 personnel.

Our second office was opened up in Kajaani, Finland in October 2007.

Our focus is on the future and we believe in sustainabe growth in terms of increasing our qualified personnel and acquiring new customers.

We are leaders rather than followers and offer our customers the solutions that will benefit them in the long-term.

***Customers benefits are maximised by tailor made campaign solutions.***

Our customer's needs are the key for everything and each campaign is tailored to suit current needs and company image.
